

Supporting Asian Arts & Cultures

DONATE TODAY!

We're not here to make money.

We raise money so we can continue to serve our mission:

"To promote interest, understanding and support for Asian arts and cultures."

Your contribution is a major part in helping us to continue to uphold and sustain our mission. FA³ is an all-volunteer 501c3 organization. All donations are tax deductible. FA³ programs and activities are made possible by generous donations from people like you. FA³ program tickets are moderately priced to help ensure that all community members can attend FA³ events and activities. Ticket sales, therefore, cover less than half the cost of activity and program expenses. Please consider making a tax-deductible donation to support and ensure the continued success of the association.
